

South Korea Visa Documents Checklist

DEMO - NOT OFFICIAL

This local test attachment verifies the plugin upload, storage, access-control, and email-resource workflow. It is not immigration advice and must not be used as an official checklist.

☐	1. Valid passport and copies of the identity pages
☐	2. Recent passport-size photograph
☐	3. Proof of funds and employment or business records
☐	4. Travel itinerary and accommodation information
☐	5. Country-specific supporting documents requested by the agency

Requirements change. The latest administrator-uploaded guide and checklist are the files the plugin must attach after payment confirmation.
